(b) The personal liability of any person described in Subsection (a) of this section shall survive the dissolution of the taxpayer or tax collector.

**Sec. 34-83. Negligence or willfulness penalty.**

**Sec. 34-83. Determination of officer and employee liability.**

(a) The Department shall determine a penalty due under this section according to its best judgment and information, and that determination shall be *prima facie* correct and shall be *prime facie* evidence of a penalty due under this section. The reproduced copy shall, without further proof, be admitted into evidence before the Department or in any legal proceeding and shall be *prima facie* proof of the correctness of the penalty due, as shown thereon. The Department shall in every case issue a notice of penalty liability for the amount claimed by the Department pursuant to this section. Procedures for protest and review of a notice of penalty liability issued under this section and assessment of the penalty due hereunder shall be the same as those prescribed for protest and review of a notice of tax liability and the assessment of tax liability under this article as set forth in Sections 34-65, 34-94 and 34-95. No notice of penalty liability shall be issued after the expiration of four years after the date all proceedings in court for the review of any final or revised final assessments issued against a taxpayer or tax collector which constitute the basis of such penalty liability have terminated or the time for the taking thereof has expired without such proceedings being instituted or after the expiration of four years after the date any return is filed with the Department by a taxpayer or tax collector in cases where the return constitutes the basis of such liability. (b) In addition to any other remedy provided for by the laws of this State, and provided that no hearing or proceedings for review provided by this article which is pending, any section of this article which provides a means for collection of taxes shall in the same manner and to the same extent provide a means for the collection of the penalty imposed by this section. The procedures for the filing of an action for collection of the penalty imposed by this section shall be the same as those prescribed for the filing of an action for collection of the tax assessed. The time limitation period on the Department's right to bring suit to recover the amount of tax, or portion thereof, or penalty or incompetent to file a claim thereof against their estate, shall not run during:

- (1) Any period of time in which the order of any court has the effect of enjoining or restraining the Department from bringing a suit or claim against the officer or employee;

- (3) Any period of time the officer or employee departs from and remains out of the State; but the foregoing provisions concerning absence from the State shall not apply to any case in which, at the time when a tax or penalty becomes due under this division, the person allegedly liable therefore is not a resident of this State.

(d) In addition to any other remedy provided by this article or otherwise by law, the County may foreclose on its lien on real or personal property to the same extent and in the same manner as in the enforcement of other liens. No proceedings to foreclose shall be instituted more than seven years after the filing of the Department's lien, except that this period shall not run:

The Medical Examiner shall charge the following fees with the amounts as set in Section 32-1 of this Code.

- (1) Autopsy report.
- (2) Toxicology report.
- (3) Miscellaneous Reports, including artist's drawings, but not including police reports.
- (4) Permit to cremate a dead human body obtained from the Office of the Medical Examiner, by facsimile or electronic filing.
- (5) Return fee. The Return Fee is charged to funeral homes that pick up bodies from the Medical Examiner's Office and then request to return them to the Office after determining that the family has no funds for burial. This cost would include the cost of the burial shell and the burial cost.
- (6) Death certificate amendment fee. Fee is charged if the amendment is made later than 1 year of the person's death (due to a return by Funeral Home). The Office of the Medical Examiner is charged by the Illinois Department of Vital Records for amendments made to a death certificate after 1 year of the death.
- (7) Storage fee. This fee covers the bodies returned (by the Funeral Homes) to the Office of the Medical Examiner for storage while families secure funds for burial services. This "storage fee" would replace the "return fee" if a funeral home returns a body and picks it up again within 10 days. If the body is not picked up within 10 days, the body will be held and buried by the County according to the standard operating procedures of the Medical Examiner. This "storage fee" discourages the use of the Office of the Medical Examiner as a storage location by funeral homes and also encourages the funeral directors to verify that families have funds for burial prior to removing a body from the Office of the Medical Examiner.
- (8) Photographs, radiographs, and histology slides.

**Sec. 38-136. Debt due County.**

**Sec. 38-138. Penalty for violation.**

**Sec. 38-139. Annual report.**

The Medical Examiner shall prepare and submit to the Cook County Board of Commissioners an annual report of the activities of his/her office.

**Sec. 38-140. Medical Examiner Fees Fund.**

Beginning on or before March 1, 2011, the Comptroller shall create a special revenue fund to be entitled the, "Medical Examiner Fees Fund." The revenue collected by the Office of the Medical Examiner from all of the various fees of the Office of the Medical Examiner shall be placed in such special fund for the Office of the Medical Examiner to be held by the Treasurer of the County. Such revenues collected and placed in such special fund shall only be disbursed by appropriation of the County Board and shall be used solely for the purchase of electronic and forensic identification equipment or other related supplies and the operating expenses of the Medical Examiner's Office.

The Honorable John P. Daley  
Commissioner  
Cook County Board  
118 N. Clark Street Room 567  
Chicago, IL 60602

Dear Commissioner Daley:

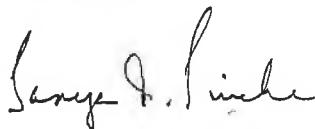

At its last meeting of the Committee on Finance, the County Board considered a package of ordinances submitted by the Department of Revenue regarding changes to certain home rule taxes. The members of IRMA ask that you consider a pressing concern they have about the protection of their proprietary business information and the unprecedented action the County is proposing to take regarding retail gas and alcohol dealers.

According to the new language proposed in Sections 74-354 and 74-356 of the *Cook County Alcoholic Beverages Tax*, and Sections 74-474 through 74-476 of the *Cook County Gas Tax*, retailers in Cook County would have to do the following: register with the county, file monthly reports stating inventory, purchases and sales, and maintain books and records for review upon inspection by county investigators. Keep in mind the retailer has no relationship to the County because we pay the liquor and gasoline taxes to our distributor. Currently, retailers are only required to register and submit information to the Illinois Department of Revenue (IDOR) which licenses them. If Cook County officials have a concern about whether tax is being collected or whether liquor or gas is being purchased from licensed distributors, then they can review the taxes paid on items purchased from the distributor and encourage IDOR to take disciplinary action for noncompliance if warranted.

The amount of sales a retailer makes and the number of items they purchase on a monthly basis affects business decisions. The process of making these decisions, and the information companies use to make them, is proprietary. The ability to control the flow of that information is essential to the continued growth of business in Cook County. We strongly oppose any attempt by the county to expand its police power by mandating that retailers submit this information monthly.

The proposed changes to the *Cook County Code of Ordinances* are unprecedented. They would make Cook County the only local jurisdiction in this state to add such a significant and sensitive operational burden to its businesses. At a time when the county should be trying to attract retailers, these ordinances are giving them more reasons to locate elsewhere. We encourage you to vote "NO" on unnecessary burdens to the retail community.

Sincerely,
